CHART OF GROWTH IN ACADEMICS

ABOUT ME

I am very passionate about work, I grasp things fast, very eager to learn new things and would love to give my full dedication at my workplace. I am very calm, composed and focused on achieving my goals. When life gives me lemons, I turn them into lemonade. Keeping a fresh mind and a positive perspective to life, is what I am all about.

OJECTIVE

My aim is to contribute to the growth of the firm by sharing my innovative and creative ideas. I believe in optimum growth of the Firm and at an Individual Level. I see myself grow with the firm's growth and I wish to give my zeal and quirky enthusiasm for the healthy growth of the firm.

HOBBIES

Professional Bharatanatyam Dancer & Performing Artist, Guitarist & a Drummer, Writing (was the Editor of the College Magazine), Love to do paintings and craft work, I am very passionate about Photography & Visiting new places (Travelling), I also enjoy observing & understanding human patterns and psychology.
